

**Parent Teacher Interviews**

Parent Teacher interviews will be held on

**Wednesday 15 August 2012**  
**from 12.00pm to 8.00pm**

As in Semester 1 there will be no lessons on this day and students are encouraged to come with their parents to the interviews.

Once again we will use an online booking system.

Details about how to book will be available early in Term 3.

**Student free Day**

**16 July 2012**

On **Monday 16 July 2012**, staff will undertake Professional Development and it will be a student free day.

Please note this important date on your calendar

*Kathy Ellis, Deputy Principal*

***From the Principal.....***

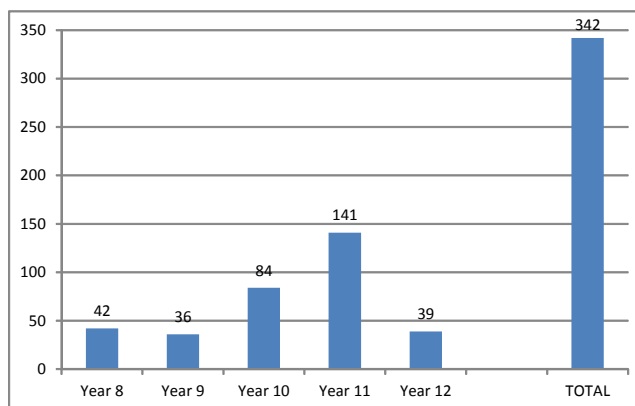

**Improve engagement and achievement**

One of the strategies we have in place to support student achievement is the issuing of Zero letters. These letters are sent to parents to inform them that their child has not met the deadline for a particular task and will therefore not receive a grade. We were concerned that in these cases students were not learning that task completion is important. The largest number of Zero letters were sent home to students in Year 11.

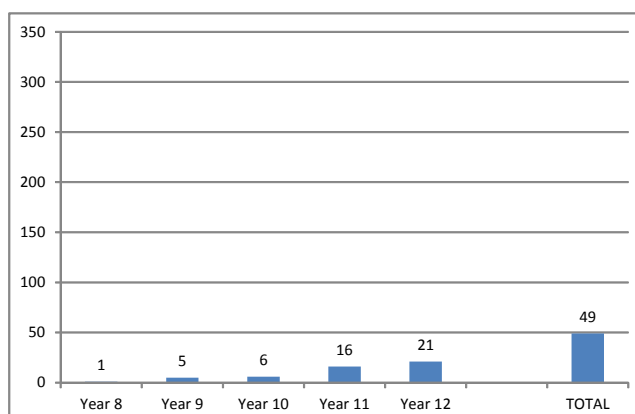

In order to support staff and students we have developed a Learning Centre. This Centre is staffed every day of the week and students can attend to get assistance with their work, plan their approaches to tasks and get organisational assistance. In addition Year 11 students who had difficulty meeting work requirements in Term 1 have been scheduled into the Learning Centre this term for one, two or three of their study lessons. More than thirty students have been booked into the Learning Centre this term, with more than 102 Year 12 students seeking assistance with their work. The Focus Room, which is used as a consequence for inappropriate behaviour and which operates in the main for Middle School Students, also runs within the Learning Centre.

I am very pleased to see that since the development of the Learning Centre, there has been a marked reduction in the number of Zero letters being sent home. You will see from these graphs for example, that we sent a total of 342 Zero Letters home in Semester 2 last year and have sent only 49 home this Semester. We hope that this increase in work completion translates into improved student learning outcomes in our review of student results this term.

**Semester 2 2011**

**Semester 1 2012**

## School Production

I was very impressed with the high quality production "Annie Get Your Gun". The staging, music and quality of performances were outstanding. I would like to thank everyone involved – staff, students, family and community members, and particularly Mel Geddie as Director, who delivered a polished and inclusive event. I received a number of positive responses from parents and community members about the event. The following very succinctly captures the essence of the production:

Mr Howston, a retired Principal went to the production on the recommendation of a friend. He said "I wanted to let you know how much I enjoyed the performance and how professional the two leads (Annie and Frank) were."

*"I am writing to commend the school on a great performance with 'Annie Get Your Gun' on the long weekend. Our family saw the performance on the Sunday session. Not only was it very entertaining but it was a terrific example of public education at its best. It is another reminder that I'm glad we chose this school for our daughter.*

*It has been an excellent opportunity for some students to be involved in the school community and working collaboratively on a different level to that of the classroom or sporting activity.*

*I thought the staff and students involved in the musical "Annie Get your Gun" did a fantastic job. What a great story they chose to perform and they portrayed it with such a sense of fun. In particular I thought the female leads were excellent.*

*The commitment and involvement each week from the beginning of the year for both staff and students and the organisation for the show has been outstanding. I thoroughly enjoyed the performance, and thank you to all those involved for the immense effort, it was worth it!" Catherine Somers*

Susan Cameron, Principal

## iPad Safety - information for families

Many students across our school, including our Year 8's, carry and use mobile devices such as mobile phones and iPads. These are expensive items which can become accidentally damaged or a target for thieves.

*How can you insure your child's mobile device(s) ... what are your options?*

Those families who purchased an iPad from our recommended supplier, Leetgeek, were offered the option to insure their device at the time of purchase.

Families are encouraged to consider the possibility of insuring mobile devices under their home and contents insurance policy.

Another alternative is to take a specific insurance policy, designed to insure mobile devices anywhere anytime.

A simple Google search for "risk insurance" provides a list of Australian companies who provide this type of insurance.

Cherie Pickering, Assistant Principal Learning Technologies

## SACE Board SA

A copy of the SACE Board's magazine for students and families - **Achieve** - has been provided to all Year 11 students this week. This edition focuses on the choices of subjects and study options that each Year 11 student will soon be making, with information for families about what to expect as students approach Year 12. This edition also covers:

- Study tips and tools
- Assessment in Stage 2 of the SACE
- The SACE Research Project
- Year 12 results
- University and TAFE study.

We would encourage you to ask your son or daughter for a copy of Achieve – it can help to spark helpful conversations about their progress in the SACE and their options for the future.

Achieve is also available to download via the SACE website at: [www.sace.sa.edu.au/news/achieve](http://www.sace.sa.edu.au/news/achieve)

Richard Whaites, Deputy Principal

## Wellbeing Day

On Wednesday 30 May 2012 we held our annual Year 9 Wellbeing Day. The purpose of this day was to highlight to our students the importance of looking after both their physical and mental wellbeing. On this day, students engaged in activities that provided them with strategies to look after themselves.

Earlier in the year, Ms Pickering and I worked with two student representatives from each Home Group to include them in the planning of the day. They offered ideas on the structure of the day and the types of workshops they felt their peers would prefer. The representatives then presented these ideas to their Home Group. Students then voted on the different models for running the day and the range of workshops to be offered.

The day was full of fun with students experiencing a number of different activities ranging from Yoga, Cooking, Self-Defence, Rock Climbing, Safe Decision Making, Movie Making, Cup Cake Decorating, Stage Fighting, Body Image and Make Up, Bike Riding, Friendships and Peer Pressure, Safe Partying and Nutrition. Some of the workshops were offered by teachers and others were run by trained presenters such as Yoga and Self Defence instructors, Community Counsellors and the Police. Each student selected three workshops.

Most students indicated that the highlight of the Wellbeing Day was spending time with their teachers and seeing them in a different role from their every day teaching capacity. Mr Sananikone and Ms Purvis surprised students with their culinary skills teaching them how to make delicious fried rice and fried icecream. Ms Pouras and Ms Marsden shared their wisdom about body image and make up. Mr Beaumont taught students how to become the next Steven Spielberg using an iPad. Ms Markovitch, Ms Fenton and Ms Boni demonstrated their creative skills by teaching students how to decorate cupcakes; while Ms Oliver and Ms Ellis shared excellent suggestions about the importance of eating healthy food. Mr Hendry and Ms Dodgson effectively taught students strategies to make appropriate and safe decisions. Mr Henwood shared his passion for rock climbing and showed them how to do so safely. Ms Mayton, Ms Paterson and Mr Sellar took a group of students for an enjoyable bike ride around the surrounding neighbourhood.

An important part of the day for both the students and their Home Group Teachers was sharing a delicious lunch together. The day finished with students in their Home Group reflecting on their experiences. They discussed useful strategies which will support them throughout their lives to remain healthy both physically and mentally.

Below are some of the student reflections about Wellbeing Day.

*"I liked Wellbeing Day because it was well organised with a positive environment and fun while we learned."* - Chelsea

*"Wellbeing Day was real fun; I enjoyed myself a lot."* - Ashley

*"Wellbeing Day was fun, I enjoyed Stage Fighting and the Yiros for lunch."* - Lachlan

*"Today I learned how to make safe decisions and learned how to defend myself."* - Matt

*"Safe Partying was the best."* - Patrick

*"Wellbeing Day was great. My favourite session was Yoga it was extremely relaxing. I loved the workshop Ms Pouras was running it was very educational. Cupcakes were fun and we got to make a bit of a mess."* - Hannah

Joanne Costa,  
Assistant Principal, Middle School

## Parent Voice Committee News

The Parent Voice Committee met twice this term and discussed a variety of issues.

The first task for the committee was to work on the development of the Parents Complaints Policy. This is still in the process of development and when ready, will be displayed on the School's website.

One of the committee's major goals for this year is to work together to identify strategies which will support parents to help their children with their homework. Joanne Costa and Charlie Marino are working with this group to develop a bank of useful ideas and strategies which will be shared with the parent, caregiver community.

The committee is also working to organise a Careers Expo for middle school students and parents. They felt that in order to support their child to make relevant subject selections for senior school, students need to know what subjects are available. Students should also be aware of the prerequisite for each subject and for particular courses at Universities, TAFE and for different apprenticeships.

The Parent Voice Committee meets twice per term on Monday of Week 3 and Tuesday of Week 8.

All parents are welcome to attend and participate in the discussions as well as bring to the committee any issues, concerns and ideas for improvement. Thank you to all members of the committee for their valuable contributions and hard work.

*Joanne Costa, Assistant Principal Middle School*

## English News

### Unley High School Prose Competition

Each year the English Learning Area runs a prose competition. The winning entries are then submitted to the Advertiser Young Writers Awards.

The senior entries were particularly strong this year.

The 2012 winners are:

#### Year 12

1st	Ana Borrelli	<i>Salt and Pepper</i>
2nd	Lisa Dangerfield	<i>My Everest</i>
3rd	Rachael Della	<i>Jane, Anna and I</i>
3rd	Sarah Fleming	<i>Bikes, Yabbies and the Great Australian Sun</i>

#### Year 11

1st	Ann Jackson	<i>Just Friends</i>
2nd	Georgia Clements	<i>High Expectations</i>
3rd	Christina Handley	<i>It began with a Bottle</i>

#### Year 10

1st	Elena Asikas	<i>Home</i>
-----	--------------	-------------

*Ruth Eckert, English Teacher*

## Library News

### Author Visit

Early next term, as part of the National Year of Reading 2012 celebration, and in conjunction with Mitcham Library Services, Unley High School will host an author visit by acclaimed writers Garth Nix and Sean Williams. Both writers are Australian.

Sean Williams lives in Adelaide, and has had thirty novels, five collections and seventy-five short stories published, many of which have been translated into different languages.

More than five million copies of Garth Nix's books have been sold around the world, and his books have appeared on the bestseller lists of The New York Times, Publishers Weekly, The Guardian and The Australian. His work has been translated into 37 languages.

Our Library Collection holds copies of their books which have been read by many of our students.

This visit is an exciting opportunity for our Year 8 cohort to hear from these important Australian writers.

*Jan Cramey, Coordinator Library and Learning Technologies*

## International Student News

### Adelaide Secondary Transition Visit

Nine students from Adelaide Secondary School of English have just completed a three day transition visit at Unley. The nine International Students, who are all from China, will begin their study with us at the start of Term 3. During their transition, students completed subject selection and familiarised themselves with the school, the layout and buildings, lesson times, the uniform shop and other aspects of school life. Special thanks to the nine Unley High students who took on the role of buddy for the visitors.

### Bon Voyage, Kiara Parsons and Holly Tetlow

Congratulations to two Unley students, Kiara Parsons and Holly Tetlow who have both been selected to participate in student exchange programs overseas with Southern Cross Cultural Exchange.

Kiara will travel to France in early September and return at the end of January in the new year, while Holly's program will be in Spain for a similar period. We wish both students all the best with their exchange experience.

### Welcome Daphne Kyriazidis and Nick Berrou

We also welcome exchange students Daphne Kyriazidis and Nicolas Berrou. Daphne is from the village of Cadenet, near Marseille in the south of France and Nicolas is from Brest, in the west of France. Both will attend Unley High School until late in Term 3.

*Peter Trethewey Coordinator, International students*

## Arts News

### “Annie Get Your Gun”

After initial auditions in November 2011 and rehearsals every Tuesday and Thursday this year and a few Sunday rehearsals, on Saturday 9th, Sunday 10th and Monday 11th of June, Unley High School performed “Annie Get Your Gun” at the Scott Theatre. The performances showcased the talents of our students both on and off the stage.

The cast was energetic and portrayed the Wild West with conviction. Special mention must go to our leading lady, Em Carter as Annie. Her acting and singing were a treat for the audience as her character discovered show business and love with her leading man Frank Butler, played by the talented Andy Kingsmill. Crowd favourites Buffalo Bill, played by Ned Kulbach and Dolly Tate, played by Deana Bakas, developed their own unique relationship on stage.

The sets, lighting, sound, costumes and Front of House were the responsibility of the Creative Arts class of Year 10 and 11 students. They were in charge on the night and ensured that all the theatrical elements were delivered with precision under the direction of our Stage Manager Mr Bettess.

The band of current and past students and Mr Rosmini, led by Mr Martin and Ms Hollis, created the energy and rhythm that a musical requires and they never missed a beat!

There are many people in the school community to thank and we acknowledged them in our program. I would like to thank those of you who came to see a performance, we really appreciate it. A very big thankyou must go to the parents and families of all of the students involved who dropped off, picked up and worked around the commitments of their children.

Thank you

*Melissa Geddie, Director*

#### UHS School Council, Congratulations

On behalf of the Unley High School Council I would like to congratulate the people involved with the successful production of the stage show “Annie get your Gun.” It was a fantastic show that maintained the history of high quality productions presented by the students and staff of Unley High School. To produce a stage show of this standard takes a huge amount of time and effort from a large TEAM of talented people.

The School Council would like to thank all those people involved, from the dedicated Director and Staff, to the fabulous Cast, Chorus and Band who took centre stage, as well as the Backstage Crew whose unseen efforts held the show together. It was a show enjoyed by many parents and friends and truly a production that the Unley High School community can be proud of.

Well done to all.

*Michael Lock, Chair, UHS School Council*

## Learning Centre News

One of the schools goals is to improve student engagement and achievement. One of the strategies we have developed is the opening of the Learning Centre.

The Learning Centre has been developed to assist students to complete assessment tasks and reach their full potential. Teachers are able to book senior students into the Centre during their free lessons to receive extra support to complete and/or catch up on work and complete missed tests under supervised conditions.

New furniture has been purchased which includes individual desks and group desk arrangements to accommodate individual study and a place for small groups to work together. The Centre is proving to be a 'magnet' for those students focused on their learning as it is a quiet study area. Year 12 students are using it in their free lessons and students are also dropping into the Centre looking for assistance with editing, drafting, referencing and the like. Students also have the opportunity to discuss future pathways such as VET and university studies.

Martin Ellis and Toby Watts are sharing the management of the Centre. Teachers Rob Carthew, John Mckenzie and Gill Forster are also rostered to assist students with their learning.

The Centre is open and staffed during all lessons and at both recess and lunch times, and is available to students across all year levels.

It is important to recognise that the Learning Centre is not about punishment, but learning support, and that students understand that failing to complete a task is not an option.

*Toby Watts*  
*Manager, Learning Centre*

## SOSE News

### 2012 National Geographic Channel Australian Geography Competition

Geography students from Unley High School demonstrated key geographical skills and knowledge in the 2012 National Geographic Channel Australian Geography Competition.

This competition attracts students from all over Australia, around 80,000 entries each year.

This year's competition tested the students' understanding of topics such as interpreting information in statistics, maps and satellite images. Our very pleasing results are a real indicator of how well our students are performing in this important subject.

We had a number of student geographers who performed to a very high level in the competition this year.

Winners in National Geography Competition:

High Distinctions	Liam Cornish	Year 10
	Kane Daniel	Year 8
	Emily Downing	Year 8
Distinctions	Atlanta Fragos	Year 10
	William Holmes	Year 10
	Kyle Feirclough	Year 8
	Sophie Muusse	Year 8
	Georgina Trotta	Year 8
Credits	Sarah Bailey	Year 10
	Patrick Barr	Year 10
	Lewis Simpson	Year 10
	Liam Spirialis	Year 10
	Ronan Bampton	Year 8
	Reagan Burpee	Year 8
	Mikayla Franz	Year 8
	Lily Walker	Year 8
	Jake White	Year 8

Congratulations to these students.

The top student each year wins an all-expenses paid trip to represent Australia in the biennial National Geographic World Championship. Our second-placed students from two years play off for the third team position.

For senior students, the top male and female students in Year 11 or lower, in each State and the combined Territories, are selected for Geography's Big Week Out, which focusses on fieldwork, spatial technologies and analytical skills.

Australia's teams to the International Geography Olympiads are selected from the students at the Big Week Outs.

*Bruce Stopp*  
*Coordinator SOSE and Geography Teacher*

## Science News

I set the task of creating a comic strip in my Year 8 Science class using the students' iPads, which would explain the relationships between different kinds of matter. Please enjoy William Longshaw's entertaining and excellent effort.

Margit Sorrell, Science Teacher

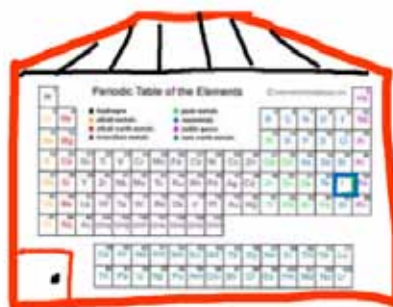

# A DAY IN THE LIFE OF NEVILLE NEUTRON

HI! I'M NEVILLE NEUTRON. I'M HERE TO GIVE YOU AN INSIGHT AS TO WHAT HAPPENS IN THE TINY TOWN OF ATOM CITY. FOLLOW ME!

EVERY MORNING I HEAD DOWN TO PROTON PERCY'S PORRIDGE BAR FOR BREAKFAST. ALL THE WAITERS THERE ARE SO POSITIVE AND BECAUSE I'M A NEUTRON, WHEN I GO TO PAY THEY SIMPLY ANSWER "NO CHARGE".

EVERY DAY AFTER BREAKFAST ALL THE PROTONS AND NEUTRONS OF ATOM CITY WAIT OUTSIDE THE PALACE OF KING NUCLEUS, HOPING SOME OF THE INTELLIGENCE RUBS OFF HIS GIANT BRAIN AND ONTO THEM.

ATOM CITY DOESN'T ATTRACT MANY TOURISTS. MOST VISITORS CHOOSE TO VISIT MOLECULE TOWN. MOLECULE TOWN WAS CREATED WHEN OTHER SMALL TOWNS WERE SICK OF THEIR SIZE AND DECIDED TO JOIN FORCES. ALL TOWNS HAD THE SAME ELEMENTS THOUGH, SO THERE IS NO COMPOUND COUNTY JUST YET.

AS ALWAYS, THERE ARE GOING TO BE SOME NUISANCES IN A TOWN. IN ATOM CITY THIS CHARACTER IS THE ELEMENT OF IDIOTIC IODINE. HE SHOULD JUST HEAD BACK TO HIS REAL HOME, THE PERIODIC TABLE.

Welcome To  
MOLECULE TOWN  
ENJOY YOUR STAY

ATOM TOWN IS A VERY TIGHT KNIT COMMUNITY. VERY RARELY DO YOU COME ACROSS SOMEONE WHO IS TOO BIG FOR THEIR MASS NUMBER. BUT ON OCCASION, MAYBE THEIR ATOMIC NUMBER. ONCE AGAIN AT DINNER PROTON PERCY OPENS THE DOORS TO HIS PORRIDGE BAR. AND EVEN WITH EDDY ELECTRON AND HIS GANG TRYING TO LOWER THE MORALE, THE VIBE IS STILL POSITIVE. EVEN KING NUCLEUS DROPS IN SOMETIMES, JUST TO COMPLETE THE MIXTURE.

EVEN THOUGH PERCY'S BAR IS OPEN LATE, MANY EAT AND LEAVE BECAUSE OF THE UNSTABLE ATMOSPHERE. THE ELECTRONS THROW UP AN ISOTOPE LIKE SCENARIO THAT MAKES EVERYONE FEEL A LITTLE GREEN. GENERALLY THOUGH THE ELECTRONS SIT IN THEIR LITTLE CORNER TO AVOID CONVERSATION WITH THE HAPPIER PROTONS, THEY REALLY ARE NEGATIVE.

SO THIS IS LIFE IN ATOM CITY, DAY IN DAY OUT. I HOPE TO SEE YOU ALL SOON. IF YOU CAN FIT THAT IS.

by William Longshaw

## Rowing News

### 'ILLICIT DRUG USE IN SPORT (IDIS)' – A ROWING AUSTRALIA PRESENTATION

On Tuesday June 5, the UHS rowers were offered an opportunity to hear a presentation by Ron Batt, who is the National Coach Education and Development Officer for Rowing Australia. The forty-five minute talk aimed at school rowers included a ten minute DVD dramatization called 'The Night of Nathan's Party'. This DVD was followed by a 'choices & consequences' discussion facilitated by Rowing Australia's IDIS consultant, clinical psychologist and former AIS sports psychologist, Ms Vicki de Prazer.

The presentation illustrated how illicit drugs can be harmful to athletes and consequently bring sport into disrepute. Examples of how drug and alcohol abuse can destroy the careers of successful young athletes were also outlined.

All students who attended were more than happy to receive an IDIS 'showbag' containing a drink bottle, towel, cap, sunscreen and lip balm. Additionally, as more than 50 of our school rowers chose to attend, the Unley High School Rowing Club received a Model D Concept2 Ergo valued at \$1400. This essential piece of training equipment is indeed an asset to the club's land training programs for all squads.

### ROWING SA AWARDS

The 2012 Rowing SA Awards Night was held on Wednesday 20th June 2012 at the Boatshed Cafe & Function Room at West Lakes. The purpose of the evening is to acknowledge the state's best performed individuals and crews for season 2011-2012.

Year 10 coxswain, Jared Lundy, was the recipient of the award for the 'Most Successful Coxswain'. Congratulations to Jared!

This award is presented to the coxswain who, as a crew member, has won more races than any other coxswain in Rowing SA and Rowing Australia regattas. Jared coxed the Unley High School Year 10A Boys crew, as well as other Unley crews as required, including the school's Under 19 Boys Coxed Four and Schoolboy Coxed Quad Scull crews who competed at Nationals in Perth. He also successfully applied to attend the SASI and Rowing SA Junior Development Camp in January and more recently the SA Youth Squad trainings in order to further develop his coxing skills.

*Anita Hughes, Rowing Manager.*

Jared Lundy

### Entertainment Books

The Rowing Club is selling Entertainment Books. For \$65 you can save hundreds of dollars when using the Entertainment Book.

If you wish to reserve a copy please email [anita.hughes@uhs.sa.edu.au](mailto:anita.hughes@uhs.sa.edu.au) or phone 8272 1455.

I will need your child's name and home group. I will then supply them with a payment form, which goes to student services for payment.

The books are available for purchase from now until the end of June 2012.

## UHS ROWING CLUB AGM

**Sunday August 26**

**3-30pm**

UHS Boathouse, Torrens Lake

*Everyone welcome*

The AGM will be preceded by

## THE MATTHEW DRAPER CUP

**Sunday August 26**

**2-00pm**

Torrens Lake in front of the Boathouse

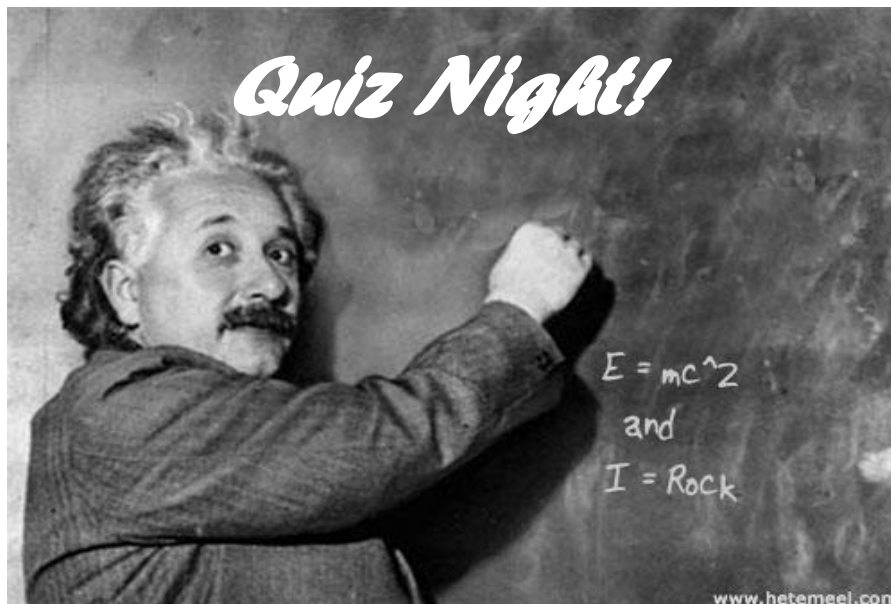

## **Rowing Club Quiz Night**

The Unley High School community is invited to a Quiz Night in the George Cresswell Hall on Saturday, 4 August 2012.

Conducted this year by the Rowing Club, it is hoped that the outstanding success of last year's Quiz Night can be replicated again this year. This fundraising event will be used to assist in the purchase of an eight and some more single sculls.

Donations for prizes and silent raffles are currently being sought so families associated with Unley High School who have contacts with businesses that may be able to assist, please contact Anita Hughes at the school for more information.

## **Unley High School Rowing Club Quiz Night** **Saturday 4th August**

\$15 per person, \$10 for students / concession holders

---

Unley High School - George Cresswell Hall  
**Doors open 7pm - Games start at 7:30pm**

*Drinks available for purchase*  
*BYO Basket Supper*

~~ Prizes ~~

**Organise** - A table of eight

**Table Bookings** - Leonore ([leonorela@bigpond.com](mailto:leonorela@bigpond.com)) or Mob: 0413 607 863

**Payment to Student Services** - By Tuesday July 31

*A fundraising event for the UHS Rowing Club*

## Sport News

Open Boys Football

We have had our usual busy Term 2 of sport with many teams playing in the soccer, football, basketball, badminton and netball regular weekly competitions. On the whole we have been doing very well in all of these sports...so well in some cases that we have had to look at being re-graded. These sports will continue for five weeks into Term 3 before we have a break and then get back into summer sports.

Term 2 is always a busy term for knockout sports. We have had some success but on other occasions we have been knocked out of competitions quite quickly. Despite some great play and real effort we have unfortunately not had a great run with our soccer. Only the open boys are still in with a chance of progressing past round one with two games still to play in their group round. Similar story for the football with all teams now knocked out, although the open boys did well to win their first two games. Our netball teams were also all beaten by stronger schools in round one.

We have had some fantastic results in knockout, though. Our open boys tennis team came second overall, only losing the grand final to tennis specialty school, Marryatville. Our Year 8/9 girls, open girls and open boys touch teams all made the finals with the Year 8/9 girls team winning to be named State Champs – for the second year running! The team was fortunate enough to have some brilliant coaching from Unley High School dad, Glenn O’Hara, so many thanks to him. Our open boys basketball team have also made it to the finals which they will play next term. We have a talented group of boys in the team so fingers crossed for a great result there. Our open girls basketball team wasn’t so successful but it is a young team who are looking very strong for the Year 10 competition next term and also for future years.

Coming up in knockout next term we have volleyball, hockey, badminton, basketball and indoor soccer.

### **Congratulations to.....**

Congratulations to the following students who have been selected into state teams to represent South Australia for their age group in their chosen sport:

Michael Gray, Ned Morcom, Hamish Robinson, Ellie Konopka and Sheridan Lock	U18 Touch
Steph O’Hara, Taj Heald and Cameron Hancock	U15 Touch
Conal McAinsh	Volleyball
Stephanie Baradakis	Soccer
Jesse Aungles	Swimming

Henry Carey made the U16 state football team from a huge number of players who tried out. Jarred Archer also did very well to make it to the final cut.

Congratulations also to Reuben Stretch who has once again been successful in being selected to represent SA in Rugby Union. He will compete in the ‘Under 14 Southern Cross Cup’ on the Gold Coast in late June.

Well done to those students on their fantastic achievements. I hope everyone has a relaxing and refreshing holiday break.

*Anna Henderson, Sports Coordinator*
