Unley High School has two school goals. The first is to increase student engagement and achievement and the second is to increase our connection with our community.

In this Newsletter you will see many fine examples of the work that we are doing to implement these goals. For example, the Artists Workshops for our Year 11 Art students with the Adelaide Central School of Art aims to meet both goals. Students have access to some of the best practicing artists to assist them to refine their skills, which increases engagement. Building connections with the Arts Community also gives students real insights into artistic ideas and practice, and assists them to see the positive role that the Arts play to build our community. The SOSE article also provides a wonderful example of how involving students in the community in the 'Mayor for a Day', provides students with a real life, engaging experience, and assists them to understand how society works.

The Newsletter also provides many examples of the rich curricula and co-curricula programs our students are offered. These programs that are intellectual, social, cultural and sporting provide students with a rich and interesting experience which builds community. I would like to thank all of the staff who work so hard, and display such creativity for the benefit of our students.

One of the featured projects is the redevelopment of the Senior Study Centre. Students with the support of staff and community members have planned an outstanding development. Through their work, students will be able to both work and relax in an attractive 21st Century learning environment. The planning, collaboration, consultation and decision making skills exhibited by the students who led the project will be with them for life. Thanks to James Merrett, leader of the Learning Hub Sub-Committee, for his creativity and persistence.

## Arts News

### Artists workshops with Adelaide Central art School

This term our Year 11 Visual Art students have been making connections with Adelaide Central School of Art. This is part of a pilot project, where Education Officer Sasha Grbich and contemporary artists Annelise Rees and Julia Robinson, visited classrooms to talk about Artists ideas and ways of working. It has involved Artists presentations about how Artists work, leading to workshops where students model practice and work in a range of media and ideas.

Year 11 students have responded well, extending their approaches to creating ideas and working in a range of techniques.

This has been a highly successful project, which we hope to extend on in 2013 for our senior Visual Art students. It has also been an excellent opportunity to link with Tertiary art school practice.

### South Australian Museum 'The Waterhouse Art Prize'

Youth Art Prize – 1st Prize Zoe Woods, Past Unley High School Scholar.

The Waterhouse Natural History Prize is a prestigious art award that celebrates our natural world. Held annually at our S.A. Museum the exhibition features a wide range of artists working in a wide range of media. Categories of awards are; Paintings, Works on Paper, Sculpture and Objects and Youth Art. This year the first prize winner in the Youth Arts section is past scholar, Zoe Woods with her glass work, 'Microcosm'. It is exciting to continuously see Unley High School students featured in major exhibitions such as this, and we congratulate Zoe on her achievement. We intend for Year 11 art students to visit and critique the Waterhouse Art Prize. The exhibition dates are from 21 July to 9 September, 10 am to 5pm at the S.A. Museum.

### Italy 2013 Art & Language Trip

We have had an exciting response to our Italy 2013 Art and Language Trip.

A detailed meeting was held on Tuesday 24th July 2012 at 6pm seeking expressions of interest from students and parents/ caregivers.

The four week trip will be occur from April 6th (Week 10) to May 3rd (Week 1), including Term 2 holidays in 2013.

The itinerary will include Rome, Florence, Sorrento, Venice and Milan as well as 12 nights in a homestay in the area of Ferrara.

We envisage this trip will have a strong cohort of students due to initial expression of interest response at this meeting.

A friendly reminder that deposits are due in Week 5 on the 17th August 2012.

## SOSE News

On Thursday 28 June 2012, SOSE class 8405 were joined by The Mayor of Unley, Lachlan Clyne and Unley Community Officer, Matthew Ives to participate in their 'Mayor for A Day' program.

Students created ideas for improving living standards and lifestyle for people living in the district, with their ideas showcased at the Unley Town Hall Community on 19 July 2012.

The City of Unley has been seeking ideas for their future planning to make living in the district more sustainable and fulfilling.

## Greek News

### Exchange student from France

Daphne Kyrzidis, a French exchange student has been attending Greek lessons since early June. Daphne is from Marseilles and she speaks her native French as well as Greek, English and German.

Daphne left us at the end of Week 3. It has been a pleasure having her in our Year 10 Greek classes. We wish Daphne all the best with her studies.

### Greek Student Film Festival

Year 9 Greek students have begun planning for the production of a short film for this year's festival.

### Dance rehearsals for the Greek Spring Dance

A number of our students are practising their dance item for the annual Greek Spring Dance.

We thank Elena Asikas and Pyrros Radimissis for their leadership, organisation and effort in teaching their peers a variety of Greek dances in time for the Dance.

The annual Greek Spring Dance is on Saturday night 1st September 2012. everyone is welcome to come along for a fun filled evening.

## International Student Program News

### Welcome New International Student Officer, Ms Philippa Holland.

We warmly welcome the newly appointed International Student Officer, Ms Philippa Holland. Philippa comes to Unley High School from a range of experience in business and finance, and with new enrolments and induction of new students, has "certainly hit the ground running."

### Induction of New Students

At the start of the term induction programs were undertaken by new students beginning at Unley High School this term:

Mr CHEN Jialiang	Mr ZHANG Conjie (Jayco)
Mr WU Ze (Stewart)	Mr ZHAO Jinchao (Atom)
Mr Kim Pav LANG	Ms Jule WEISSER
Mr Leo BADER	Ms LI Shihui (Leena)
Mr WANG Xindong (Felix)	Mr SHI Xiaoping (Jeremy)
Mr DIAO Pengfei (Daniel)	Mr Luca LORENZETTI
Ms Arisa MURAI	Ms Kino HORIBA
Ms Miyuki TAKAHASHI	Ms Miki MAKINO
Ms Sayaka SANO	Ms Miyuna NAKANO
Ms Akina IKUMA.	

The students are from China, Cambodia, Germany, Italy and Japan.

We especially welcome the four students from Jissen Girls High School, Tokyo and three students from Hokusei High School, Hokkaido in Japan, as these are new and developing programs for our school, which we hope will become annual events.

### Preparations for the Multicultural Assembly and Multicultural Food Fair

Planning is well under way for Multicultural Week, in Week 6 this term. The Students' Multicultural Committee has been meeting regularly in preparation and their enthusiasm is infectious.

The highlight of the week will certainly be the Multicultural Fashion Parade and Multicultural Food Fair on Friday 24 August 2012.

*Peter Trethewey, Coordinator, International Student Program*

### Canteen Worker for days when paid employees are unable to work

For parents/caregivers who have worked in our school canteen, you would be very aware of the busy nature of the job. Occasionally we need to employ a person to work in a paid position. If you have volunteered in our Canteen you may be interested in being considered for a paid position. It is likely that this work would be infrequent and you may be called upon at short notice.

If you are interested please email: [kathy.ellis@uhs.sa.edu.au](mailto:kathy.ellis@uhs.sa.edu.au) or telephone me at school.

## Senior Study Centre News

The Senior Study Centre is currently used by senior students for study and as a breakout space for socialising during free lessons. The current space however, is unappealing, under-utilised and lacks essential learning tools to stimulate and enhance learning.

This prompted the establishment of a sub-committee earlier this year to discuss and implement ideas to better utilise the area by transforming it into a new, appealing and vibrant Learning Hub which will better support and assist senior students in their study.

Ideas and inspiration for the redesign were taken from a tour of the newly constructed University of Adelaide's Learning Hub at the end of last year – an initiative of Mr Graham Clark. Various design innovations such as collaborative group study rooms were taken back to the sub-committee for discussion and then put to students via an online survey in order to gauge student opinion and priorities for the redesign.

### THE PLAN

The new Learning Hub will be divided into two main areas – a study area and a lounging area in order to create a versatile space that can be used for both study and socialising. It will feature moveable furniture to enable individual and group study as well as a collaborative group study room to allow students to complete group work and assignments. It will also feature a range of workspaces at different heights to keep students interested and engaged as well as a breakout space for students to socialise and interact with one another.

The entire space will be revitalised with a fresh colour scheme and new carpet and the design will be flexible in order to accommodate various events that occur throughout the year, including Year 12 Exams and Year Level Meetings.

The cost of the project is approximately \$15,000 and funding has been arranged from:

- Unley High School Fundraising Committee: Profits from 2011 Quiz Night
- Funds raised from 2012 Year 12 Formal
- Contribution from Flinders University for School's participation in Youth Mental Health Survey
- Funds raised from Term 3 Casual Day

Thankyou must also go to Richard Whaites (Assistant Principal) and Martin Ellis (Year 12 Manager) for their time and efforts in painting the Senior Study Centre prior to carpet being installed.

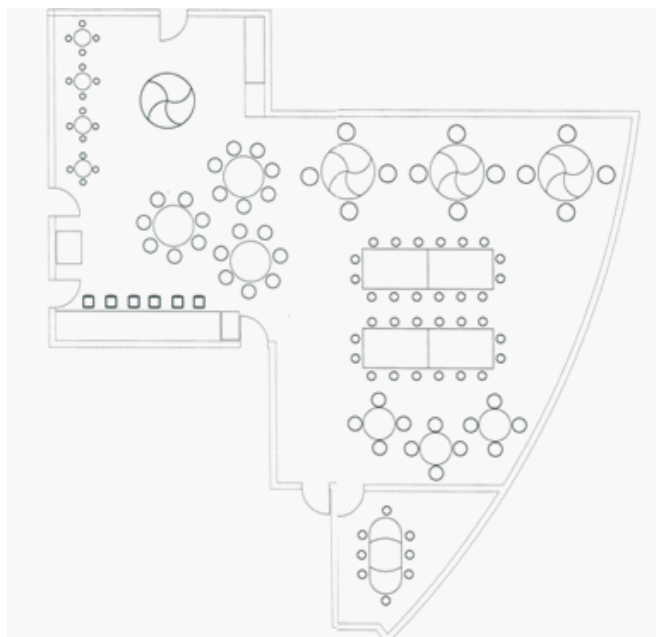

Overall, the new Learning Hub hopes to assist senior students in their study and encourage more senior students to utilise the area and its facilities more often.

The next stage of the redesign emphasises the need to upgrade the ICT facilities, including more computers, a new printer and an information screen displaying student notices and other relevant information.

The new Learning Hub will open in the coming weeks.

## Sport News

Welcome to term three! Our winter season is nearly at an end with our mid-week finals rounds being played in Week 4 and the Saturday morning competition finishing up on 18 August 2012. We have had a good season for these winter teams with lots of successful games over the two terms. Our Open Football boys are playing in the Grand Final against Concordia at Unley High School which will hopefully result in a win. We also have one of our Year 8/9 Netball teams playing in the Grand Final for their division which is exciting. Our other Netball teams have also done very well with two other teams playing for third place which is a great result.

Year 10 Football Team

We have some good news in our knockout sports for Term 3 already. Both the Open Girls Volleyball team and the Open Boys Badminton team have won all of their games in the preliminary rounds to make it to the finals, both of them to be played in Week 5. Well done to all of those players. Our Open Boys Basketball team played their finals in Week 3 and did brilliantly to become state runner-ups behind Concordia. Sadly this means that they do not get automatic placement in the Championship division of the Australian Schools Championships when they travel to Victoria at the end of the year but they might still get in as a wild card entry...we'll wait and see. The remainder of this term will bring us more badminton, basketball, hockey, rugby and touch competitions as well as some fun 'come and try' carnivals.

w

Over the holidays we had some fantastic student sporting achievements. Congratulations to the following students who have been selected to represent South Australia for their age group in their chosen sport:

Bonnie McKenzie & Louise Armstrong – U19 Girls Volleyball. This national tournament has already been played and South Australia won gold against Victoria. Bonnie has now been selected for the "All Stars" team.

Rob Cain – U15 Boys Hockey. He will play in Adelaide at The Pines in September. Well done to those students.

Our regular winter season is fast coming to an end with only one week to go. Nomination forms for the upcoming summer season have been available for a few weeks now and were due for return on 10 AUGUST. All mid-week sports from Term 1 (indoor soccer, tennis, volleyball, girls basketball, pilates) require a new nomination and payment for what is a NEW season starting in late Term 3 and continuing into Term 4. Term 1 teams DO NOT carry over into this season. If any students are hoping to be in one of these mid-week sport teams they will have to have had their nomination forms returned to Student Services by 10 AUGUST. Students who played Saturday morning sport in Term 1 (cricket, badminton and touch) do NOT have to re-nominate for these sports. They will simply be asked to confirm that they wish to continue playing in Term 4 when this season re-commences.

The Unley Cricket Club (based at The Kingswood Oval) are going to be starting a new U17 Cricket Team and will be looking for players. Please contact the club for more information.

## Year 9 Ski Trip News

We had a great week! The weather was superb and the students were very well behaved, cooperative and supportive of each other.

Most students were skiing intermediate slopes, including runs called "highway 83, Main street, Rapunzel's and Lakeside" and some even went to more difficult slopes, such as "Ruined Castle, Scotty's, Skyline", for those that know the area.

We had 15 skiers out on the snow to do some night skiing (something we had not done before). Marty informed me by radio that "they were all having a great time!".

At night time, students played cards, watched videos of themselves skiing and chatted amongst themselves about their experiences throughout the day. Some students had a snooze. Our past students were fantastic and spoke so positively about the many teachers at Unley High School who had contributed to their lives.

**The last day!** Well, we had breakfast with a very tired group of people. They packed their gear and cleared their rooms ready for the next occupants. After that we headed up to the easy slopes for our last day of skiing. Our team of leaders looked worn out but had been magnificent for the week - I am sure that both teachers and students were all looking forward to some sleep in their own beds.

Friday was dinner in Bright and then the quietest bus trip I have ever been on, for the trip home.

Wayne Beaumont, Year 9 Ski Trip 2012

### School Dental Service

The South Australian Dental Service provides a range of dental services for children at clinics throughout Adelaide and all major country regional centres.

Dental care is provided by dental teams comprising of Dentists, Dental Therapists and Dental Assistants.

All preschool, primary and secondary students aged under 18 years, are eligible for care with the School Dental Service. Fees and conditions apply.

From 1 July 2009 there will be some changes to School Dental Service fees.

- All School Dental Service care is free for preschool children (general and emergency).
- Children who are dependents of/holders of Centrelink Concession Cards, Veterans Affairs Pension Concession Cards or School Cards are eligible to receive free dental care (general and emergency).
- For primary and secondary school children who are not dependants of/holders of the above concessions, a fee will apply for each course of general dental care provided.
- Students with a Commonwealth Government Teen Dental Voucher are welcome to use it at the School Dental Service. If presented at a School Dental clinic it will entitle them to a full course of dental treatment including preventive care and any treatment if required.
- Dental emergencies treated at a School Dental Clinic between check ups will be covered by the fee paid at your child's most recent check up.

For information about appointments and fees, contact your local School Dental Clinic on: 82710371

Parents of children with special physical or intellectual needs should contact their local School Dental Clinic to discuss their child's needs.

In case of a dental emergency contact your local clinic to arrange an appointment.

For after hours emergency advice phone 8232 2651 (Children only).

### Invitation for Students to participate in the 2012 South Australian Police Youth Leadership Camp

Since 1991 the South Australia Police, through the Special Tasks and Rescue (S.T.A.R.) Opera section, have conducted a special Youth Leadership Program for small groups of selected students who have successfully completed Year 11 and are about to enter their final year of secondary education in 2013.

The aim of the program is:

“Through interaction with members of the South Australia Police, other leading organisations and individuals within our community, provide an environment for the development of future community leaders”

The SAPOL Youth Leadership Program will be conducted at the Echunga Police Reserve from 13 to 18 January 2013.

The course program is managed and co-ordinated by the SAPOL Special Tasks and Rescue Group, with the focus on leadership, motivation and teamwork.

A wide variety of activities are included which are both physically and mentally challenging, accompanied by many opportunities for the students to display and enhance their leadership qualities. I believe that your student will treasure this opportunity as they prepare to enter a very demanding final year in secondary education and beyond.

**Closing Date for registration of interest is Friday 14 September 2012.**

If you are interested in attending, please see Ms Ellis in room 223 as soon as possible.

This program is a fully sponsored program and asupported by SAPOL and the Lions Club of SA.

#### Back Packs tips

Australian children are at risk of permanent spinal damage because of incorrectly packed and fitted school backpacks.

Adult back pain and spinal disorders may stem from childhood activities including carrying a heavily loaded backpack for twelve years or more of schooling. Many of the current bags children are using may be fashionable, but unless they allow for even distribution across the back, they can cause pain.

According to an international study, daily backpack carrying is a frequent cause of discomfort for school children. School backpacks were felt to be heavy by 79.1% of children, to cause fatigue by 65.7%, and to cause back pain by 46.1%.

Some tips to prevent back pain associated with the carrying of heavy backpacks

- Backpacks should be ideally no heavier than 10% of a student's weight when packed
- Make sure the backpack is sturdy and appropriately sized – no wider than the student's chest
- Put comfort and fit at the top of the priority list, rather than good looks
- Choose a backpack with broad, padded shoulder straps
- Use both shoulder straps – never sling the pack over one shoulder
- Use waist straps attached – they are there for a good reason
- Don't wear the backpack any lower than the hollow of the lower back
- Don't overload the backpack – use school lockers and plan homework well in advance
- Place all heavy items at the base of the pack, close to the spine, for a better distribution of the weight.
