From the Principal........

Dear Parents and Caregivers

We draw to the end of our very busy first term. Our Newsletter draws attention to the many outstanding activities that have occurred to support our students to learn and grow. As you are aware we are a school that strives to continually improve. While this is across the board (in our co curricula programs, our grounds and our community-building events) the most important thing to focus on is learning. I am pleased to report that our students have done very well this term – the vast majority of our students are focussed and persistent in their approach.

As a staff it is our job to continually reflect on our practice to improve what we teach and how we teach it. At Unley High School we have a strong commitment to teacher learning. This year we have set up a number of Professional Learning Teams (PLT’s), where teachers are working together to analyse student achievement in their learning area and develop plans for improvement. In this way we hope to extend the learning improvements we have already made. For example, because of changes we made to Year 11 programs and approaches last year, our 2013 Year 11 students achieved 11% more A and B grades than the Year 11’s had in the previous year.

Teachers’ sharing their practice is one important way to support improvement. As Principal, my job is to find time for this to occur. For this reason, we have a two hour professional development session each Wednesday afternoon. It is also why DECD have professional learning days. You will see that these are scheduled for two consecutive days at the beginning of Terms 2 and 3. We have chosen to have two consecutive days based upon feedback from teachers and parents. On these days teachers will be working in their PLT’s. For example, in Science, teachers are exploring the type of feedback that they can give to students to improve their learning.

Please discuss your child’s report with them. Evidence suggests that if students set their own goals for improvement it assists them to achieve. Identifying what they can do to improve and what additional assistance they might need from their teachers can really make a difference.

Have a very happy and enjoyable holiday break.

Susan Cameron, Principal

Congratulations to Jesse Aungles

Jesse is on his way to Scotland

Past Unley High School student Jesse Aungles has qualified for the Commonwealth Games swimming team.

Jesse won the men’s Para Sport 200m IM in a time of 2:29.54.

The 18 Year old who is based at the National Training Centre in Canberra came home strongly over Paralympic gold medalist Blake Cochrane.

We all wish Jesse good luck.

We will follow progress closely.

Dear Parents and Caregivers

We draw to the end of our very busy first term. Our Newsletter draws attention to the many outstanding activities that have occurred to support our students to learn and grow. As you are aware we are a school that strives to continually improve. While this is across the board (in our co curricula programs, our grounds and our community-building events) the most important thing to focus on is learning. I am pleased to report that our students have done very well this term – the vast majority of our students are focussed and persistent in their approach.

As a staff it is our job to continually reflect on our practice to improve what we teach and how we teach it. At Unley High School we have a strong commitment to teacher learning. This year we have set up a number of Professional Learning Teams (PLT’s), where teachers are working together to analyse student achievement in their learning area and develop plans for improvement. In this way we hope to extend the learning improvements we have already made. For example, because of changes we made to Year 11 programs and approaches last year, our 2013 Year 11 students achieved 11% more A and B grades than the Year 11’s had in the previous year.

Teachers’ sharing their practice is one important way to support improvement. As Principal, my job is to find time for this to occur. For this reason, we have a two hour professional development session each Wednesday afternoon. It is also why DECD have professional learning days. You will see that these are scheduled for two consecutive days at the beginning of Terms 2 and 3. We have chosen to have two consecutive days based upon feedback from teachers and parents. Year 8 Camps

The week beginning 17 February 2014 saw the start of our annual Year 8 Camps at Mylor Baptist Camp Site. Over 240 Year 8 students were divided into three groups with each group spending two days and one night at the Camp Site and following the same program of activities.

Upon arrival excited students were given an introductory talk by Mr Marino and camp staff and then they moved into their dorms and made themselves at home. After some time settling in, a ‘Get to Know You’ Program was run by the Student Counsellors Mr. Hall and Ms. Hood. This was great fun and by the end of the hour we had already met new friends from other Home Groups.

We then spent time doing a number of fun activities with our Home Group Teachers. The activities were challenging, particularly the mine field where students had to listen, concentrate and work as a team. After lunch, the camp staff took over and each Home Group rotated through a number of activities over the two days. These activities included the giant swing, the flying fox, the challenge course, bridge building, raft building, archery and rock climbing. I particularly liked the flying fox as it was exciting and just a little bit scary. My friends liked the giant swing the best but I do not like heights.

The food was really good and on our first night we had Lasagne. After our evening meal the Air Force Cadets ran a program where we rotated through three team building activities. These were working as a team to put up a large tent, a commando course and a signals course. I really liked the signals course and I learnt a lot about what the Cadets do in their training.

After Cadets we went to bed but everyone was so excited we talked a lot and had a late night. The next day we awoke feeling a little tired but excited about the activities the morning had in store for us. At lunchtime we packed up and waited for the bus to take us back to school. The Camp was fantastic fun and I met a lot of new friends and got to know the teachers as well.

On behalf of all Year 8 students, thanks to all of the staff who went and made the Camp possible. Thank you to Mr Marino who organised the Camp and stayed awake for three nights making sure we all stayed in our dorms and got some sleep.

Home Economics News

Year 10 Home Economics classes have been working through a series of practicals focusing on nutrition. Students have experimented with different methods of cookery to experience different styles of food presentation and baking techniques. Some of the practicals have included Lentil Curry with Naan Bread, Chicken Shaslik with Mango Salsa, Satay Chicken Pie and a range of yeast goods including Gourmet Pizza, and Breads designed by the students. Some of the reflective comments from students include:

“The most enjoyable part about working with yeast products was today’s practical. It was interesting seeing how much our dough would rise and learning why we need to keep it for a while in front of an open oven. Today’s Prac in particular gave us a lot of freedom, and we enjoyed being able to bring our own ingredients and make our own unique products”

Written by Georgina

“We really enjoyed making the yeast products. It was really fun creating different types of breads. We both made a savoury herb, olive and cheese one and then we created a cinnamon, berry and chocolate bun drizzled with honey. It was lots of fun watching them rise in the oven. They turned out amazingly and they tasted so nice!”

Written by Mikayla and Miranda

“It was enjoyable to make our own bread creations by adding different ingredients. We improved as a group in our yeast dough making skills and we worked well as a team even though it was an individual task.”

Written by Jasmine, Thomas and Brooke.

Mariearma Ademosu and Daphne White, Home Economics Teachers
Sports Day
2014 saw the second year of House competition at the Unley High School annual Sports Day.

After some excellent participation rates in the pre-Sports Day events of 3000m, 1500m, 800m and Triple Jump, KYRE House held a small lead over KITCHENER with GILES and MILLS not too far behind.

Throughout Sports Day, each year level competed in all of the throwing, jumping and track events, with some students demonstrating outstanding individual performances across many events. Many students also earned points for their House by competing in the novelty events offered throughout the day, with the Tug of War being a popular competition and crowd favourite.

There were many Unley High School records broken on the day in a range of events, a testament to the talent that our students have in the sporting arena. A special mention must go to Ben Syrus who broke two Year 12 boys sprinting records on the day.

The House Captains worked hard to organise teams for the 4 x 100 relay events, which finished off the day. It was great to see the support from the crowd for each team during these races.

GILES, KITCHENER and MILLS fought hard all day to make inroads into the lead held by KYRE but in the end KYRE were too strong and ran out overall winners by just 145 points. KYRE now add the 2014 victory to their win in 2013.

A team has now been selected from the Sports Day results to represent our school at the SSSSA Athletics Championships to be held at Santos Stadium in Week 11. Congratulations and good luck to all students involved in that team.

I would also like to congratulate all of the students who participated in events on Sports Day or who acted as helpers; the positive attitudes, sportsmanship and enthusiasm were outstanding from all involved. A big thank you must also go to all staff who did a great job setting up, officiating and assisting students throughout the day.

We look forward to reviewing this year’s Sports Day and building towards a bigger and better day in 2015. If any parents would like to make comment on this year’s Sports Day please contact me at casey.freeman@uhs.sa.edu.au

Transitions Visits from Adelaide Secondary School of English

Unley has recently welcomed six students from Adelaide Secondary School of English, who attend classes with selected buddies, in preparation for their commencement at Unley High School from the beginning of Term 2. All of the student visitors were excited about the transition and have selected subjects in readiness for the move from Intensive English study to mainstream high school.

Attendance at Education Adelaide’s Study Expo

All Year 11 and 12 International Students from Unley High School recently participated in Education Adelaide’s Study Expo, as a means of gaining a clearer understanding of their post-secondary options and what they need to do to be able to achieve their study goals.

Elena Asikas and Stephanie Bourboulis taught the Cretan dance, Pentoza to a group of students ranging from Year 8 to Year 12. We thank all students involved for their time and effort over the last fortnight.

The students performing were:

Year 12
Elena Asikas

Year 11
Stephanie Bourboulis, Kleo Pericleous, Tara Asikas, Nikki Asikas, Penny Kopsaftis, Zoe Tsoleridis, Evagelia Ntafillis, Christina Mougiannis, Liam Goldfinch.

Year 9
Viki Ntafillis, Anna Tsimogiannis, Keri Tsintziniotis

Year 8
- Eleni Livanos, Jamie Yu, Kiera Butcher, Rebecca Carapidis, Anastasia Pericleous, Kiri Kalaburnis, Alexandra Kalaburnis, Jonathon Antonas

Matoula Kouzionis and Angela Papas, Teachers of Greek

Peter Stone, Mathematics Coordinator

The Maths Help Centre .... It’s on again!

Over the last decade, Unley High School has provided a voluntary Mathematics support service to Unley High School students. This service has been available to students at lunch time every day and has been managed and supervised by our expert team of Mathematics teachers.

This year, The Maths Help Centre has been incorporated into the Learning Centre. This means that not only do mathematics students attend for specific mathematics assistance, students seeking assistance in all subject areas have access to a well supervised environment to work on various assignments and do general study.

Students are encouraged to avail themselves of this service if they have problems in understanding mathematical concepts taught in class or if they wish to clarify ideas presented in project work. Basically any student is welcome, even if there are no major concerns, but fine-tuning of processes is required.

Greek National Day

Greek Independence Day was celebrated at Unley High School on Tuesday the 25 March 2014. We thank all parents on the Greek Parents’ Council for organising the events for the day beginning with a sumptuous Greek morning tea for staff members and the Souvlaki Sizzle for the school community at lunch time. We thank all committee members for helping throughout the day. A special thank you to all the parents who made the delectable Greek sweets which were thoroughly enjoyed by all the staff.

Elena Asikas and Stephanie Bourboulis taught the Cretan dance, Pentoza to a group of students ranging from Year 8 to Year 12. We thank all students involved for their time and effort over the last fortnight.

International Women’s Day Assembly

On Tuesday 4 March 2014, the female cohort of Unley High School attended an International Women’s Day Assembly organised by the International Women’s Day Committee. This assembly was to highlight the success and independence of women, and to celebrate the difference we have made in society.

We invited two guest speakers from outside of the school, Tricia Karp and Tessa Henwood, who we thought could effectively inspire and motivate our female students, as well as guest appearances by student performers, Hien Mai Nguyen, Amy Linsner and Marcus Lau.

Tricia Karp spoke to us about running her own workshops and one on one coaching to help empower women. She reiterated her main focus point of “owning it”, encouraging women to take their success into their own hands.

Tessa Henwood talked about her non-profit organisation, TIA, that she founded at the age of 20. TIA provides support to young girls in Bolivia where women are refused independence and equal rights. Tessa reiterated that one’s gender or age should not limit the opportunity to make a difference.

The audience was also shown a video of 16 year old Malala Youfazsai, a young girl attacked by the Taliban for speaking up for girls’ right to education. This gave us an insight into the restrictions on women in other countries and opened our eyes to how dangerous these war-ridden situations are.

A comedic short clip by Ellen De Generes, about ‘Bic pens for women’, closed the assembly. It was relatable for our female cohort and reiterated the fact that we should not limit the opportunity to make a difference.

Gifted & Talented News

A Parent Information Session for the Gifted and Talented students will be held on Tuesday 20 May 2014, from 6:30pm to 7:30pm at Unley High School.

- Why do we need programs for Gifted & Talented students?
- Identification of Gifted and Talented students
- Meeting the needs of Gifted and Talented students at UHS.

Presenter, Rob Perkins, Assistant Principal Middle School

Science News

Year 10 Challenge Week

The Year 10 Challenge runs in Semesters 1 and 2 in conjunction with Year 10 Work Experience. In other words, whilst half of the Year 10 cohort is out of the school on work experience, the other half will be involved in the Year 10 Challenge.

During the Challenge Week, students will work fulltime in teams of approximately 20 with three Teacher Facilitators. They will work on a real life problem that cuts across different subject areas. They will form new connections with members of both the school and the wider community and they will develop some lifelong learning skills.

At the end of the week, students will present their proposed solution to a Panel of community experts. They will be given feedback by the Panel on the quality of their presentation with respect to the background research shown to support their solution and the feasibility of their proposal. Students will also receive feedback from their team Facilitators on various skills and capabilities shown during the week with respect to communication, teamwork, self-organisation and initiative.

It is the aim that this second level of feedback will then be included in their end of term Report.

This Semester, students will be working on problems facing the world related to a sustainable and nutritious food supply.

If you have any questions about the Challenge Week please contact me via email on jo.vanderzwaag@uhs.sa.edu.au

Jo van der Zwaag, Coordinator Science

Parent Voice News

Parent Voice meets twice per term and is a forum for parents to raise ideas, concerns and solutions. There are currently 27 parents on the Parent Voice Committee.

On Thursday 20 March 2014, Parent Voice held its first event for the year, The Year 8 Parent Voice Sausage Sizzle. The evening provided an opportunity for Year 8 parents and students to come together, socialise and view the Year 8 Camp video, the highlight of the evening. Students were reminded of the fun they had on Camp and their parents were able to see what their children had experienced.

The next Parent Voice meeting is scheduled for 19 May 2014 at 6:30pm. All parents are welcome to attend.

Rob Perkins, Assistant Principal Middle School on behalf of the Parent Voice Committee

NAPLAN News

Year 9 students will be involved in NAPLAN testing as follows

- Tuesday 13 May   Language Conventions Writing
- Wednesday 14 May  Reading
- Thursday 15 May  Numeracy

There will be a catch up day on the Friday 16 May 2014 for students who are absent for any of the tests.

Rob Perkins, Assistant Principal Middle School
Fundraising & Events Management Committee News
The Fundraising & Event Management Committee has been working very hard this term to organise the first major fundraising event for the school. As a result of parent feedback received at the Acquaintance Nights, *Movie under the Stars* will be held on 10 May 2014 on the main oval at Unley High School.

The movie will be *The Lone Ranger* and food and drinks will be available for purchase on the night.

If any parents have any ideas about fundraising activities, please feel free to email me, rob.perkins@uhs.sa.edu.au or if you would like to join the committee you will be most welcome.

Rob Perkins, Assistant Principal Middle School, on behalf of the Fundraising & Event Management Committee

---

**Saturday 10th May**
*Gates open at 6pm*
*Movie starts at 7.30pm*

**PAYMENT:**
- Family ticket: $30.00
- Single ticket: $10.00
- Under 12 ticket: $8.00

5 golden tickets amongst first 100 pre-paid tickets sold.

**BYO:**
- Drinks (plastic glasses only), picnic, beanbags, rugs, legless chairs.

**AVAILABLE FOR PURCHASE**
**ON THE NIGHT:**
- A selection of Thai food from temptaion, chicken drumettes, sausage sizzles, popcorn, beer & wine, and soft drinks. Coffee and gelati is supplied by Camevale Coffee Roasters.

*Golden ticket — free popcorn and soft drinks*

**Year 12 News**

**Year 12 Parent Seminar** A new Parent Seminar has been included in the Year 12 Pastoral Care Program this year. On Tuesday evening, 18 March 2014 in the George Cresswell Hall, Ms Kim Price from Encounter Youth Adelaide, provided information to parents on the importance of being aware of what their children are doing in their social lives outside of school. Kim also liaises with us at the school to provide programs for our senior students on safe partying and safety at Schoolies Week. The Parent Seminar was very well received with positive feedback from parents on the importance of the information provided.

**Year 12 2014 DVD Pre-order** The Year 12 DVD committee has formed for 2014 and the students are very excited about producing a fantastic DVD. Pre-production is in full swing and there is a huge number of students who have joined the Facebook Group to keep up with ongoing information on filming locations and timelines. Remember, to secure your copy you need to pay $30 to Student services by June 2014! A DVD premiere will take place in the George Cresswell Hall at a date to be advised in 2015.

**Arts News**

**Musical Performance - Oliver!** This year Unley High School will be performing the well-loved musical, Oliver! by Lionel Bart. The Stage 1 Theatre Production class is designing and creating the Sets, Costumes, Publicity, and the Lighting and Sound for the play. Rehearsals are taking place every week on Tuesday and Wednesday after school and Wednesday and Friday lunchtimes, and are making great progress. Ms Geddie, Ms Simmons, Mr Martin and Mr Bettes are working with the actors. Ms Hollis is rehearsing with the band on Tuesday and Wednesday and Ms Johnstone is helping the leads with their singing.

The main characters are; Oliver, played by Kate Thompson, Dodger, played by Annabel Bramley, Fagin played by Liam Sprialis and Nancy, played by Louisa Stocco. The chorus features students from all year levels.

Oliver! is set in the 19th century and is about an orphan boy named Oliver who gets involved with thieves and wealthy merchants. The mystery unravels itself in this popular musical.

The performances are from 25 June to 27 June 2014 at the Scott Theatre, Kintore Avenue, Adelaide, at 7:00pm.

Tickets will be available closer to the performance dates.

*Consider yourself one of us!*  
*Tim De Ruyter and Timothy Caputo, Publicity Group*

**Congratulations to Alice Fittock**

In week 5, I performed with the South Australian Children's Ballet Company in a production of 'The Little Mermaid' for the Adelaide Fringe. It was choreographed by Paul Boyd, a choreographer in the Queensland Ballet, and although it was not the first time we had performed it, we had two shows sold out, and another very nearly the same.

It was choreographed mainly for children's entertainment, and we received a lot of positive comments from both children and parents after each show. We all had a lot of fun rehearsing and performing the shows, and are always looking forward to the next time we perform.

As a company, we perform in the Fringe every year, as well as having our own season in October. For this year's season we will be remounting an older work 'Clara's Arctic Dream,' as well as creating a new one that will hopefully be just as popular as 'The Little Mermaid' was.

*by Alice Fittock*
Sport News

Our weekly summer sport teams have nearly reached the end of their Term 1 season. Our Year 8 and 9 Cricket teams have been doing really well with lots of wins and, at the very least, some close results and well played games. Our Badminton team has had some varied results mainly due to having a mix of both very experienced players and some beginners but the effort put in and support for each other is always very high. Both the junior and senior girls Touch teams have been doing really well winning most of their games. Our mid-week indoor Soccer, Volleyball, Tennis and Basketball have had a mixed bag of results but, again, the good sportsmanship shown by all has been fantastic. Our Basketball girls have been particularly successful.

Most of the knockout sports have also been played for this term. Although we have been knocked out of all levels of the Cricket we managed to progress further through the competitions than we have done in a couple of years for both the Year 10 and Open levels. Our Softball girls were knocked out quite early but our Open Baseball boys were fantastic coming third overall. Both the Open boys and girls knockout Tennis teams have beaten three other schools and will have a further round to play to reach the finals. Term 2 and 3 will see plenty more knockout sport with Touch, Soccer, Football, Hockey, Volleyball and Basketball.

The Triathlon Championships were great fun for the students who competed for Unley High School with all of our teams completing the course. Particularly good results were earned by Ethan Mons who came 5th overall in the Intermediate Boys individual competition and also Ethan Mons, Mackenzie Slaughter and William Tran who came 5th in the Intermediate Boys team competition. Unley High School also had a number of students who competed in the Secondary School Sport Individual Tennis Championships. Congratulations to all Unley High School competitors who played but particularly to Alex Endenburg who made it through to the semi-finals in a very large pool of Year 10 boys.

We have had a couple of carnival events with a group of Year 11 girls being the first of many girls to go on a Surfing Instruction Day. The weather was perfect and the girls all had a lot of fun trying to stand up on their boards. Three more Girls Surf Days are to come for our Year 8, 9, 10 and 12 girls. We also had a Year 8/9 Volleyball Carnival against Concordia here at Unley High School. Our players did really well and visibly improved as the day progressed to win just under half of the total games.

Congratulations

Again we have some students who deserve congratulations. Sisters Sarah and Rachel Tonkin have both been selected for the Secondary School Sport Australian Softball Championships and will be playing in Perth in May. Jack Buksh, Jacob Parsons and James Gojak have been selected in the under 15 Rugby Union SA Junior Gold Cup squad and Mark Tanielu in the under 17 squad for the same competition. Nitya Gunasegaran has been selected for the under 17 Australian Nationals Badminton team and will be playing in Auckland in April. Sam Gericke has been selected in the Under 19 SA Tennis squad and will be competing in Western Australia in April.

Congratulations to all of the students for their fantastic sporting achievements.

Anna Henderson, Sports Coordinator
On 15 March 2014, the Unley High School Rowing Club participated in the Head of the River Rowing Regatta and for the second year running, entered the most number of crews on the day (23). This is no mean feat and cements Unley High School as one of the largest school rowing programs in South Australia.

The day began with ominous skies and lightning in the distance. Luckily the skies cleared, however, a stiff breeze and intermittent rain remained for the crews to contend with. Unley High School crews performed exceptionally well in the challenging conditions. Of the 23 crews entered, 17 raced off in their respective finals and with eight boats contesting each final, there was plenty of fierce racing on offer. Desperately unlucky to miss out on 1st place for a second year in a row was the Year 10 Boys B crew, narrowly losing to Prince Alfred College by 1.29 seconds.

One Crew to have success was the Year 9 Boys A crew, who rowed magnificently in the trying conditions to take out the Ferguson Cup, 5.88 seconds clear of their nearest rival, Prince Alfred College. This is the third time in four years that Unley High School has won the Year 9 A Division, a wonderful effort by our boys and the crews that preceded them.

Congratulations must go to the Year 9 A Division boys; Thomas Wainwright, Harry Wilson, Oscar Smit, Max Bowering and Coxswain Will Preece for the fantastic win on the day.

If you are interested in becoming involved in Rowing at Unley High School, I encourage you to make contact over the coming months. Opportunities will be made available to participate in Come ’n’ Try sessions prior to the Spring Rowing Camp commencing in early September.

For further enquiries please contact me at joshua.whitwell@uhs.sa.edu.au

Josh Whitwell, Rowing Manager
It has been a full and busy term for all at Unley High School. In addition to helping to settle in new students in Week 1, I have attended the Year 8 Swimming Carnival and the Year 8 Camps in Week 4, helped with the Student Leaders’ Training Day, watched the brilliance of our runners at Sports Day, organised the Year 8 Breakfasts in Week 6, 8 and 10, assisted the Unley High School ‘Oliver’ chorus practices and facilitated the VET course of VetaMorphus on Wednesdays. My involvement has been full of opportunities to meet new students and staff around the school and I have had the opportunity to care for and support a whole bunch of students through these different activities and events. I do love supporting the community here at Unley High School!

In Week 2 of Term 2, students will have the opportunity to take part in Live below the Line (LBL), an initiative out of the Oaktree Foundation. The basic premise is to live on $2 a day for five days straight, which is the equivalent of the extreme poverty line. It is a way to better understand extreme poverty, while making a difference overseas. Students can sign up online or with me and collect donations which will be forwarded to the LBL campaign. Funds are being donated to East Timor this year. For more information, visit https://www.livebelowtheline.com.au/

World Vision 40 hour famine Leadership Training

Opportunities to take part in World Vision 40 hour famine Leadership Training are also coming up in Term 2 for Senior Students with the 40 hour famine happening mid Term 3. Please stay tuned.

Red Cross Blood Drives

Some of our Senior Students have shown interest in becoming Youth Ambassadors for the Australian Red Cross Blood Service. Julia Meaden (12.325), Liam Sprialis (12.323) and Muslehuddin Chandio (11.712) have put their hand up to represent and lead our school through organising blood drives for students 16 years and older who are interested in donating blood. Only 1 in 30 Australians gives blood, but 1 in 3 Australians will need blood in their lifetime, so more help is always needed! Stay tuned to the school bulletin for when blood drives will happen in Terms 2 and 3. For more information, speak to Julia, Liam, Muslehuddin or me.

Easter

For many of us, Easter is a season full of chocolate, hot cross buns, and hopping bunnies. But for others, the season of Easter bears much greater meaning and significance. As a Christian, Easter is a part of the year that gives me hope - a season that reminds me that I’m part of the bigger picture.

Blessings. Jodi Quast, Christian Pastoral Support Worker

On Wednesday 26 February 2014, a team of 36 students travelled to the SA Aquatic and Leisure Centre, Marion to compete in the SSSSA Swimming Carnival. After winning the carnival last year, we moved up a division and competed against nine other schools from around the state. The girls finished in 5th position and the boys came 8th.

Congratulations to all those who took part including Callum McBrearty who competed in three races for Athletes with a Disability.

Jenny Hall, Physical Education Teacher

The City of Mitcham is conducting a FREE catch up immunisation service for students who have missed their immunisations at school. Vaccines that will be available include:

- HPV - Gardasil – All Year 8 students and Year 9 boys
- Boostrix - Diphtheria Tetanus Pertussis (dTPa) All Year 8 students

Where and When

Catch up Immunisation Clinic

Wednesday 30 April 2014 3:30pm – 6.00pm
Room 2 - Mitcham Community Centre
242 Belmont Road, Lower Mitcham

Parental consent is required for anyone under 16 years of age.

NOTE: PLEASE BRING TO THE CLINIC YOUR STUDENT’S MEDICARE CARD AND A RECORD OF PREVIOUS SCHOOL VACCINES GIVEN

For further information contact Mary Anne McNab on 9657 8656

A new children’s dental benefits schedule for 2 – 17 year olds started in January 2014. It is called the Child Dental Benefits Schedule. The School Dental Service is a Child Dental Benefits Schedule provider and welcomes babies, children and young people under 18 years.

Dental care is FREE for most children and the School Dental Service will bulk-bill Medicare. Children who do not qualify for the Child Dental Benefits Schedule can still attend – a small fee may apply for each course of general dental care provided.

There are no waiting times at the School Dental Service. To keep your children’s teeth and gums healthy we encourage them to attend the School Dental Service.

To locate your local School Dental Clinic, and for more information about the Child Dental Benefits Schedule, visit www.cadental.sa.gov.au or ph. Mitcham School Dental Clinic: 82710371.

Workshop

Want to know how to help your teenager with career ideas?

What is SACE and where can it lead?

What is the difference between ACE, TAFE & University?

What supports and decisions can your young person access?

What sort of jobs are out there, and how to make a good choice?

What is an apprenticeship?

Are the decisions different if my young person has a disability?

For more information contact lyn.stephens@australia21.org.au

Alternatives to Prohibition. Illicit drugs: How we can stop killing and criminalising young Australians  (Australia21)

To register for this event please contact us at office@australia21.org.au

The prohibition of illicit drugs is killing and criminalising our children and we are all letting it happen

The War on Drugs

Further reading

Australia21, the Ted Noffs Foundation and the Elkske Centre invite you to join

A national conversation - Young Australians: Smarter about drugs

comprising a workshop for young people and a public event for parents, teachers, young people and the community on 7 May at the Rawke Centre

Why is this topic important?

- Young Australians’ use of alcohol and drugs is often in the news and parents worry about the way that their kids might use alcohol and drugs.
- Schools are often expected by the community to ‘fix the problem’ without the resources to do so.
- Young Australians have most to gain or lose from good or bad policy or practice, as most use of alcohol and drugs is often in the news and parents worry about the way that their kids might use alcohol and drugs.
- Young Australians who ever go on to use illicit drugs start in their teens or early 20s.
- Young Australians have most to gain or lose from good or bad policy or practice, as most

Young people will be around a lot longer than the rest of the community, and it is mostly young

Australians who suffer the huge health and social costs if things go terribly wrong.

Young Australians have much to contribute in this but somehow are rarely asked what they think.

The workshop for young people, 2.50pm on 7 May

The workshop is intended to provide a forum for genuine engagement and as opportunities for young people to discuss issues, share and

express views around drug culture and policy with their peers and alongside recognised experts. Young people will be asked to views on issues that directly affect them eg how schools might handle the situation where students are found to be using or selling drugs. Some schools expel

students immediately. Other schools try to help the student

overcome his or her problem. Why not see what young people think should be done? The afternoon will include a filmed food pop-up segment on why young people take drugs for showing at the evening event.

To register for this event please contact us at office@australia21.org.au

Public event for young people, parents, teachers and the community. 6.30 - 8.00pm 7 May

Invite your family and friends to come to this event where we will consider questions such as

- Why do young people take drugs?
- Why with all the skills, expertise and resources available to the police, is the war on drugs not won?
- Why is treatment of addiction so difficult?
- How can parents equip their children to deal with the potential hazards of illicit drugs?

This will be an interactive event with live streaming of questions and comments from all over Australia.

Expert support

Both events will be supported by an expert panel including: Mick Falster AO AM, former Senior Australian Police Commissioner, Dr Abe Wodak, world expert on illicit drug policy and addiction and Ted Noffs, founder of the Street University and acting CEO of the Ted Noffs Foundation which provides essential services for young people and their families who are experiencing drug and alcohol problems and related traumas.
