

## New Bank Account

### Please be advised

As of Friday 9 May 2014  
Unley High School will be  
operating with  
a new bank account.

Those families who make  
payments on their  
fee accounts by  
direct deposit to the  
school's bank account  
should ring the school  
to obtain the  
new banking details.

Kind regards

*Kim Hughes,*  
*Business Manager*

## From the Principal.....

Dear Parents and Caregivers

As you are aware, community involvement is very important to us. It has been one of our two priorities for the last four years. It reflects research that shows that open learning institutions that welcome their parents and listen to them are better able to meet the needs of their students.

There are two events in this Newsletter that I would particularly like to draw to your attention that aim to build our sense of strong community.

The first is the *Mental Health Presentation for Parents* being offered by our Parent Voice Committee and the second is the Unley High School production, *Oliver!*

### Mental Health Presentation for Parents

This Presentation is an hour long session run by two health care professionals. It is aimed at providing parents with suggestions to promote the wellbeing of their children. It will be held in the Staff Room here at Unley High School on 17 June 2014 from 6:30pm to 7:30pm. Our Parent Voice Committee believe the information will be invaluable. Please come along.

### Oliver!

Students, staff and community members are currently putting in many long hours rehearsing for the Unley High School production *Oliver!*

The production provides an outstanding opportunity for everyone to build their skills, not only in the performance itself, but in organisation, time management, teamwork, cooperation and problem solving. It is an excellent vehicle for building community, whereby students from all year levels and teachers from a variety of disciplines work together in a range of formal and informal ways. It also offers parents, family and friends the opportunity to show their appreciation for all that students can achieve.

Please support the school production by purchasing tickets for the performances to be held from the 25 to 27 June 2014.

*Susan Cameron, Principal*

## Year 9 Art

### Refugee Week Poster Awards Exhibition

Our Year 9 Art Design students responded to the *South Australian Refugee Week 2014 Poster Awards Exhibition* with a wide range of ideas, use of materials and media. Their ideas explored human rights, multiculturalism, acceptance, courage and cultural diversity.

Congratulations to Cassie Warren on her work being selected from over 400 entries in the Secondary School category. Her successful poster will be displayed at the Kerry Packer Civic Gallery at the University of South Australia from 16 June to 23 July 2014.

Cassie's entry will also be considered for an Award in her age section (Secondary).

These Awards will be announced and presented by the Minister for Education and Child Development, the Honorable Jennifer Rankine, MP on Monday 16 June 2014 at the Civic Gallery.

Well done and good luck Cassie!

*Terri Moore, Visual Art Teacher*

## Year 12 Formal

On Friday 4 April 2014, The Unley High School Year 12 Formal was held at The Hilton Hotel, Victoria Square, Adelaide. This event is always a highlight for Year 12 students and the school Calendar and the venue did not disappoint!

The theme this year was *Enchanted Forest*. A lovely mix of lilac and purple was chosen as the main colours, with a hint of green through the ivy that was woven through the terrarium centrepieces. A great deal of care and attention was taken on the styling of the event by the committee and Pam from Labours of Love in Kensington. Lighting for the evening was designed by Staging Connections.

The evening began with pre-dinner drinks and photos, some taken by SA Life magazine, in the foyer, before students and teachers were ushered into The Grand Ballroom to take their seats. Head Prefects, Elena Asikas and Angus Santostefano set the tone for the evening with a welcome to all the students and staff attending.

The first course was served around 8:00pm, which was a lovely vegetarian cannelloni dish. Photographs then to occupy students' minds, as they ran about collecting friends. The DJ started off with a quieter selection of songs to ease people onto the dance floor. It wasn't too long before that dance floor was packed! The main course of chicken was served and it was time to get on with the formalities - thanking the Committee members and announcing the Year 12 Formal Awards.

The lights dimmed after dinner and the disco lights cranked up a notch to much more dancing and more photography. This time staff were dragged onto the dance floor, willing or not, to groove on into the night.

The Formal is always a wonderful evening which involves a great deal of people to produce such an amazing event. I would like to take this opportunity to thank the Year 12 Formal Committee for their dedication, hard work and contribution to making the Year 12 Formal a success this year.

*Louisa Stocco  
Elena Asikas  
Catherine Barron  
Cayla Richmond  
Georgia Pantelis  
Louise Wray  
Ashleigh Chin  
Olivia Angel-Keys  
Courtney Mitchell  
Sophia Moschis  
Sarah Hyland  
Kiara Parsons  
Jackie Wingate  
Anthia Samaras*

Congratulations and best wishes  
for the year ahead.

*Rheanna Dougherty,  
Year 12 Manager*

## Arts News

### Year 10 Art Students visit the 'Dark Heart' Exhibition & Studio Workshop

Art students at Unley High School had an excellent opportunity to connect with the works of 28 contemporary Australian artists and their practice when they visited the South Australian Art Gallery recently. They had the chance to view and participate in the 2014 Adelaide Biennial of Australian Art: Dark Heart. This exhibition explored past and present Australian issues and cultural identity. Students took part in the exhibition in a studio workshop, creating installations that explored hidden fears and the darker side of life. These installations were completed in the classroom by experimenting with new or familiar materials to tell their own story. Students also reviewed the exhibition in their folios, responding to key works, discussing how and why works are made, investigating the diversity of forms and exploring varieties of techniques and materials.

Students' response work to the exhibition highlighted the importance of engaging students with artists' current practice and to explore and experiment with a range of materials and ideas.

## Counsellors' News

### Free Online Magazine for Students and Parents

I have just read through the first two editions of the e-Magazine *LeavingSchool.com.au*. This is a really good publication with a range of useful and informative articles aimed at senior students but relevant to all.

Articles for parents like *12 Essential Tips for Parents to Survive Year 12* and *10 Essential Conversations Every Parent Should Have With Their Teenage Son* and a range of articles for students about life during the last stages of school and moving on, make this a worthwhile read.

### Mindsets by Carol Dweck

During the holidays, among other things, I began reading a book called *Mindset* by Carol Dweck. It talked about two Mindsets people commonly display, 'fixed mindset' and 'growth mindset'. It was personally challenging to see which mindset I fell into and how this has impacted on how my life has turned out, opportunities taken and missed.

To all of us who find a range of reasons why we can't do something, with the right mindset, we can motivate ourselves and help our children to improve in school and achieve their goals. I can thoroughly recommend the book. If you would like to read a summarised version of fixed and growth mindsets, google Mindsets Carol Dweck.

*Andrew Hall and Tam Hood*

## HASS News

### Year 12 Kangaroo Island Tourism Field Trip 2014

At 6.30am on 7 May 2014, the Unley High School Year 12 Tourism classes left from the front of Unley High School to travel overseas to Kangaroo Island for a Field Trip.

Arriving on Kangaroo Island at 10:00am, we started the day with an informative talk about tourism on the island at the Tourism Information Centre. We then experienced many different tourist activities, including *Island Bee Hive honey tasting*; *Seal Bay*, which was a group favourite and the *Rapture Domain Bird of Prey Show*. The *Little Sahara* finished our day with rolling, slides and pyramids on the sand hills.

Although the class was sceptical about the Talent Night during our trip preparation, it turned out to be a bit of a highlight of the trip. Maybe it should be called 'Games & Giggle Night' as there were quite a few X Factor performances.

The second day we all woke up early at Vivonne Bay Lodge and after a huge breakfast headed off to the Flinders Chase National Park where we really enjoyed the Remarkable Rocks, Admiral's Arch and the baby seals.

In the late afternoon we left this 'Zoo without fences!' and headed home on the Ferry. Surprise, surprise, the Ferry stopped for a passing mother Whale and her breaching baby. What a wonderful sight to say goodbye to our favourite island. – And WOW, what a great way to learn about sustainability and Eco-Tourism!

John McKenzie, Tourism Teacher

## Parent Workshops 2014

*For Parents of Yr 9 & 10 students from Unley High School, Mitcham Girls High School and Urrbrae Agricultural High School.*

To help you be a support for your child in making important course and career decisions throughout their secondary schooling and beyond.

### Workshop 4 Today's (multiple) pathways to University

Wednesday 28 May 2014 or

Hear from the three major Universities about how things have changed in regards to getting into University. The 'non-linear' pathways. Hear about Bridging courses, University Entrance tests, No Australian Tertiary Admission Rank (ATAR) - what now?

Ask questions of a panel of University Course Counsellors and undergraduate students. Learn about some of the online tools the major Universities have available for students to choose courses and careers.

### Workshop 5 Other further education options and how to help if they have no idea

Wednesday 2 July 2014

The post school training environment in South Australia – what are the options, opportunities and what career paths can this environment offer your child?

In the second half, find out about and try out some really useful websites and other resources which you could use with your child in guiding them along their path.

#### To register interest:

Email [careerpartners@uhs.sa.edu.au](mailto:careerpartners@uhs.sa.edu.au) and indicate which number workshop you would like to attend.

**Venue for all workshops:** Unley High School Staff Room

**Times:** 6:00pm until 8:00pm

Government of South Australia  
Department for Education and  
Child Development

## Home Economic News

This semester, the Year 9 Food and Culture class has been exploring dishes from around the globe.

Students began their journey at home, looking at native Australian ingredients and traditional dishes, creating a contemporary style macadamia Anzac biscuit.

Students then began looking at European cuisine and made dishes such as traditional French Crepes Suzette, Greek Baklava and an Italian Lasagne. From here students moved on to Asia where they created an Indian Butter Chicken, Vietnamese Cold Rolls and an Indonesian Nasi Goreng.

The students also created some keynote presentations on particular cuisines that they had an interest in, which allowed them to learn more about the Japanese, Brazilian, Moroccan and Irish cuisine.

Students will finish the cooking component of this course in Week 4 this term, before they head off to sewing.

*Mariearma Ademosu, Year 9 Food and Culture Teacher*

## Fundraising & Events Management News

Forecast wet weather caused the postponing of the Under the Stars Movie Night on 10 May 2014. Saturday afternoon was relatively free of showers but the continual rain on Friday meant the oval was in a poor condition and with the risk of showers on Saturday night the Committee made the decision to postpone the event until early in Term 4. Advertising for the Movie Night will begin in the second half of Term 3.

*Rob Perkins, Assistant Principal Middle School*

## English News

### Debating

After much success last year, this year we have a strong Year 10 Debating Team consisting of Isaac Thiele-Swift, Jack Cheshire, Alastair Correll, Nick Endenburg and Emma Troughton.

On Wednesday 8 May 2014, our first Debate of the season took place. The Unley High School Blue team defeated the Cardijn College Green team in a debate over the topic: *That the government has no business bailing out big business.*

Our team was debating the negative side of the argument and soundly proved that theirs was the stronger case. Jack Cheshire was awarded best speaker and all of our team spoke most eloquently. This team is very ably coached by one of our parents Dr Georgie Swift and I am very grateful for her continued support and expertise.

The next Debate will be held at Adelaide High School, as are all the Year 10 Debates, at 7:00pm on Wednesday 28 May 2014. Spectators and supporters are always welcome.

I look forward to another successful and enjoyable season of Debating and wish all our competitors the best of luck in their upcoming competitions.

*Sue Wendt, Coordinator English*

## Parent Voice News

### Traffic Study

Currently Parent Voice is providing written feedback to Mitcham Council regarding traffic issues around the school. The council has a consultant undertaking a Traffic Study and feedback from Unley High School parents will be incorporated into the study. The study will result in recommendations to Council regarding traffic issues within the council area.

### Mental Health Presentation for Parents

On Tuesday 17 June 2014 Parent Voice will host a presentation on Mental Health. The presentation will be from 6:30pm to 7:30pm and will be held in the Unley High School Staff Room.

It will cover two topics of interest to every parent. *Adolescent Mental Health Issues* and *Drugs, Alcohol and Adolescents*.

Two experienced health professionals will present the sessions. *Rob Perkins, Assistant Principal Middle School*

## National Schools Constitutional Convention

I was fortunate enough to be selected to go to the 19th National Schools Constitutional Convention, which was held between the 12th and 14th of March in Canberra. In total 118 people from all states and territories of Australia were selected to take part in the annual convention which looks into real world issues affecting Australia (of a Constitutional and government background), and how these issues can best be resolved. The trip also involved visiting places of large historic (and current) importance such as the National Museum of Australia, Parliament House, the National Archives of Australia, Old Parliament House and the High Court of Australia.

During my time there I heard words of wisdom from and interacted with hierarchy of Government such as the Hon Bronwyn Bishop, MP Speaker of the House of Representatives (representing the Prime Minister who could not attend) and Senator The Hon John Hogg, President of the Senate. Even though they were regarded very highly and were very busy people they still had the time to talk to us about their life experiences, answer many of our complex questions, respond to our opinionated statements and even greet some of us personally.

The topic of the convention was Australian Federalism: States' Rights and National Priorities. The main issues looked at were: *What would happen if the Commonwealth was to assume full power over rivers?*, and *What would happen if the Commonwealth was to assume full power over health?* There were sides with strong arguments both for and against, resulting in a mock referendum held by the Australian Electoral Commission with the following proposals:

*A Proposed Law: To alter the Constitution to empower the Commonwealth Parliament to legislate for health care, including public and private hospitals.*

*A Proposed Law: To alter the Constitution to empower the Commonwealth Parliament to directly legislate for the waters of the Murray-Darling system.*

Delegates were asked to write 'YES' or 'NO' in response to the question 'Do you approve of this proposed alteration'? The first proposal was not passed, with 62% voting NO, most likely due to arguments that there are different health needs between the states, and the states will in turn be more responsive to their citizens' needs. The second proposal was passed with 65% of citizens (and a majority of states) voting YES, which was probably due to the reasoning that the Murray-Darling system passes through multiple state boundaries and therefore would be best managed at a national level.

I thoroughly enjoyed my time in Canberra attending the 19th National Schools Constitutional Convention. Through this experience I have gained invaluable knowledge which will no doubt aid myself and 117 others with making decisions which may need to be made in the future, for the best interests of our country.

*By Jarryd Hawes 12.330*

## Greek News

### Greek Music Concert

Students studying Greek at Unley High School attended a Greek Music Concert held at the school on Friday afternoon 4 April 2014. Loucas Loizou, an Adelaide based musician and performer at the Fringe Festival, sang from a wide repertoire of Greek and English music ranging from the works of Mikis Theodorakis and Cat Stevens to Cypriot ballads and some of his own works.

Our students and parents who attended thoroughly enjoyed the concert and we thank Mr Loizou for coming to Unley High School and performing for us.

### Certificate of Attainment in Greek exam

**Tuesday 20 May 2014**

On 20 May 2014, seven students studying Greek at Stage 1 and 2 sat an exam for their *Certificate of Attainment in Greek* at The University of Adelaide. The certificate is organised by the Centre for the Greek Language in Greece and is an official State Certificate that certifies the knowledge of Greek as a Second/Foreign Language. We congratulate these students for participating in this exam.

*Matoula Kouzionis, Greek Teacher*

## Sport News

Term two is already in full swing and we have around 200 students signed up to play in regular weekly winter sports teams. Our Saturday morning sports, Football, Soccer, Basketball and Netball, have already begun and we've had some good wins. Our Soccer boys are looking very smart in the new school Soccer shirts! We also have some mid-week sports starting in Week 4 with Table Tennis, senior Football and more Netball.

At the end of the Term 1 Summer season we had some fantastic results. A few teams placed third overall: Year 8/9 Basketball girls, Open girl's Indoor Soccer, and Year 8/9 boys Indoor Soccer team 1. Most notably though, we had some teams who finished in first place:

Open girl's Basketball, Open girl's Touch and Year 8/9 girl's Touch - a fantastic effort by players in all of those teams.

Term 2 is extremely busy for Knockout sports as Unley High School is involved with Basketball, Soccer, Indoor Soccer, Football, Table Tennis, Netball, Badminton, Touch and Volleyball in various different age groups. So far the only one that has actually started is the Touch and we have both our Open girls and the Year 8/9 girl's teams through to the finals. Our Open boy's Touch team only missed making the finals by losing their final minor round game by just one point.

We'll also have lots of Carnivals this term and have started with a Year 8-9 boy's 9-a-Side Footy Day. We took two teams who both played and behaved fantastically with one team coming runner up in the Grand Final.

As usual we have some talented sporting students deserving of recognition. Rebecca Steer has been selected for the U18 SA Lacrosse team and will be playing in Melbourne. She was also chosen for the All Star team and the U19 Australian squad (final team to be decided in Jan 2015). Stephanie Baradakis has been selected for the Secondary School Sport girl's State Soccer team and will be playing in NSW. Stephanie has consistently been selected for State teams in various age groups. Congratulations to both these girls for their success.

*Anna Henderson, Sports Coordinator*

## Interschool Athletics News

During Week 11 of Term 1, an enthusiastic team of Unley High School students competed at the annual Secondary School Sports Athletics Championships. Competing in the 'B' division of this competition meant that all of our athletes would be competing against other talented students from a range of other schools.

Throughout the day there were many excellent individual performances by Unley High School students. Year 10 student Tayla Benson-Dulskis demonstrated her talent by winning two of her events and placing second in the other two. Year 12 student Ben Syrus also performed exceptionally well finishing with a first, two seconds and a third from his four events. Other notable individual efforts included Year 11 students Sienna Gardiner (two first places) and Louis Seabrook-Bridge (Two first places and a third). The final event of the day saw our Open Boys 4 x 100m Relay team run an exceptional race to finish 1st against some excellent competition.

The attitude and persistence displayed by our students was fantastic, with many students competing in events out of their age group or in events that they were not originally nominated for.

Overall Unley High School students were awarded certificates for 16 first places, 12 second places, 14 third places and an Outstanding Achievement. The team finished 7th overall and we look forward to improving on this achievement in 2015.

I would like to congratulate all of the students on their excellent attitude shown throughout the competition. They represented the school extremely well.

I would also like to acknowledge and thank Helen Jones for her organisation of the team after Sports Day and on the competition day. Thank you also to Anita Hughes, Angie Treloar, Phil Syme and Richard Whites for managing the team and officiating at the stadium. An extra big thank you to the parents who attended to support the students.

Casey Freeman, HPE Coordinator

### Individual Achievements

Taylah Benson-Dulskis	1st	Under 15 Girls 100m	Jamie Wittervan	1st	Under 16 Girls Discus	
	1st	Under 15 Girls Long Jump		3rd	Under 16 Girls 4 x 100m Relay

## Rowing News

### Unley High School Rowing Club Presentation Dinner

At the end of Term 1 a Presentation Dinner for 250 people was held in the George Cresswell Hall to acknowledge the performance of all squads throughout 2013/2014.

The club captains and coaches outlined the highlights of their season and spoke most highly of the commitment, passion, teamwork and fun displayed by squad members.

A special congratulations to the recipients of special awards:

*Senior Squad Awards* Verayna Zilm, Sophie Couzner & Adam Perry

*Year 10 Squad Awards* Emma Troughton & James Kotaras

*Year 9 Squad Awards* Lily Grayling & Jo Park

*Year 8 Squad Awards* Charlotte Parker & Harry Boyce

*Coxswain Award for 'Most Dedicated Coxswain'* Gemma Luongo

*Chuan Lai Award for 'Most Valuable Clubperson'* Verayna Zilm

Senior Captains

Current and Past  
Chuan Lai Award winners

### National Championships

Thirteen rowers represented Unley High School at the *Rowing Down Under Regatta* at the Sydney International Regatta Centre from 23 to 30 March 2014.

The Rowing Down Under Regatta incorporated the first leg of the World Cup, the Australian Rowing Championships, King's and Queen's Cups Interstate Regatta and the Open Schools Rowing Championships. This event is quite unique in that school rowers can train alongside the best in the world and race on the same waters within minutes of each other.

Unley High School participants again rowed magnificently. Our two U17 Coxed Quad Scull crews (Ethan Mons, Reuben Stretch, Jack Cheshire, Sam Luongo, Connor Ward; and, Eddy Holmes, Alastair Correll, Max Bowering, Giuseppe Nirta, Britt James) made the semi-finals and then raced magnificently to finish 2nd in the B Final of the U17 Eight race.

Jordarn Karpowicz qualified through to the semi-finals of the U19 Single.

Verayna Zilm rowed admirably in the U17 Single, teamed with a Murray Bridge rower to finish 7th in the A Final of the U17 Double. Verayna and Jacinta Stevens and two Murray Bridge girls raced strongly to finish 5th in Australia in the U17 Women's Coxed Quad Scull A Final.

Well done to all participants. Unley High School has again done itself proud on the highly competitive national stage

*Anita Hughes, Physical Education Teacher*

**TEENAGERS, ALCOHOL AND DRUGS**

**What parents need to know about alcohol, drugs and their teenagers**

- by Paul Dillon

The City of Marion presents Paul Dillon, a respected front-line campaigner who will answer the tough questions about alcohol and drugs, and show how parents can start these important conversations with their teenagers.

Paul has been working in the area of drug education for 25 years. He is a key social commentator who has appeared on *Sunrise*, *Today* and *The 7PM Project*.

<b>September 26</b>	<b>EARLY DISMISSAL</b>	<b>2:15pm</b>

The Unley High School Rowing Club is once again selling Entertainment Books. For \$65 you can save hundreds of dollars when using the Entertainment Book. It contains many 'two for one' vouchers or 25% discount on dining out, going to the movies, having a coffee or even when holidaying.

If you wish to purchase a book please email [joshua.whitwell@uhs.sa.edu.au](mailto:joshua.whitwell@uhs.sa.edu.au) or phone the school on 8272 1455.

Please give me your child's name and Home Group and I will then supply them with a payment form, which goes to Student Services with payment. The books are available for purchase from now until the end of June 2014.

*Joshua Whitwell, Rowing Manager*
