## Head of the River Special Edition

March 2016 | Volume 1, Issue 5

### FROM THE PRESIDENT

Hello, and welcome to a very special edition of the newsletter in which we will feature some of the photos from the last couple of regattas. As you'll be aware, Unley High School Rowing Club had a great day at the Schools Head of the River Regatta last Saturday, winning no fewer than seven Head of the River races. In addition, the previous weekend at the State First Grade Championships saw many of our crews enjoying success in a variety of events.

And as I write this, our Year 10 Boys A crew, Mitch Reinhard, Jack Rasic, Tom Ogier and Alistair Rowe, coxed by Natasha Perrot from Pulteney and coached by Bec Lannan and Peer Richards, have just achieved 4<sup>th</sup> place in the Final of the U17 men's Coxed Quad Scull at the Sydney International Rowing Regatta. We hope you enjoy the photos!
